B. Definitions

Commercial: Commercial means any property (including vacant land) that is not Residential as described below.

Escrow: Escrow means any transaction in which any escrow property is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor-creditor relationship is created, to a person not otherwise having any right, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon the contingent happening or nonhappening of a specified event or performance or nonperformance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee or bailor, or any designated agent or employee of any of them. Escrow includes subdivision trusts and account servicing. (A.R.S. 6-801)

Fair Value: The “Fair Value” shall be construed as the sales price of the property. Where a sale is not involved, the “Fair Value” shall be the principal amount of the new loan.
