ESCROW GENERAL RULES

The fees are charged on a per transaction basis and may be apportioned among the parties to the transaction in accordance with the instructions of the parties.

A. DEFINITION OF ESCROW

Escrow means any transaction wherein any property, money, written instrument, or evidence of title or possession to real or personal property or other thing of value is delivered to a grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or a designated agent or employee of any of them. Delivery may be with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor/creditor relationship is created. The transfer to a person not otherwise having any right, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property shall occur upon the delivery or redelivery to that person upon the contingent happening or non-happening of a specified event or performance or non-performance of a prescribed act, pursuant to mutually agreeable instructions to a neutral third party.

Basic escrow fee includes, but is not limited to, the following:

- Signing services*
- Wire processing fees
- Standard document completion
- Print costs associated with receiving electronic loan documents
- Courier fees**
- Overnight delivery fees

* *Signing services are included when the signing occurs in a Company location.*

** *For transactions closed in Santa Cruz County office locations these fees are not included in the escrow charges and the actual charges will be charged to the appropriate principals in the transaction.*

B. COMPUTATION FROM BASIC ESCROW RATE

1. The rate shall be applied on fair value (rounded up to the next nearest \$5,000 increment) as defined in D below.

3. Only one discounted rate may be applied unless specifically allowed for herein.
4. Any applicable discounts shall be applied to the portion being charged to the applicable party.

C. EMPLOYEE RATES

There shall be no charge to employees of Stewart Title for the purchase, sale, or refinance of their primary residence. This rate is not applicable to employees of other title/escrow companies.

D. FAIR VALUE

The fair value shall be construed as the full value of the property, including the encumbrances. When a sale is not involved, the fair value shall be determined from all available information, i.e., amount of encumbrances, assessed value, etc. In no event shall it be less than the sum of the unpaid principal balances of the mortgages and/or contracts to which the property is subject.
