A. DEFINITION OF ESCROW

Escrow means any transaction wherein any property, money, written instrument or evidence of title or possession to real or personal property or other thing of value is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor/creditor relationship is created, to a person not otherwise having any right, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by a person upon the contingent happening or non-happening of a specified event or performance or non-performance prescribed act, when it is then to be delivered by such, person, grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or a designated agent or employee or any of them. Escrow includes subdivision trusts. (A.R.S. 6-801, as amended.)

B. FAIR VALUE

The fair value shall be construed as the full value of the property, including the encumbrances. Where a sale is not involved, the fair value shall be determined from all available information, i.e., unpaid principal balances of the Mortgages and/or contracts to which the property is subject.

C. COMPUTATION OF ESCROW FEE

See Chapter “1” for Basic Rate.

D. ADDITIONAL CHARGES

The charges set forth herein are additional charges. Any additional charges will be made when unusual conditions are encountered in the escrow or when special risks are assumed, or when special services are provided. Those additional charges not specifically scheduled require the consent in writing in advance of each person or entity obligated to pay all or any part thereof.

E. SEPARATE SALES OR EXCHANGES (DIFFERENT OWNERS)

Basic Charge applicable (Section A101) on each separate sale, seller or exchanger involved.

The applicable charge applies on the amount of each individual sale or exchange even though there may be one common purchaser, and the sales or exchanges are handled concurrently, and one or more separate escrows is involved.

F. RATES AND CHARAGES IN EFFECT PRIOR TO FILING

All rates contained herein become effective when approved by the Superintendent of Banks or by operation of law.

G. UNDIVIDED INTEREST, TRANSFER OF (WHEN SOLD SEPARATELY FROM REMAINING INTEREST)

Basic Charge applicable (Section E101) based upon the interest covered and/or the purchase price of the fair value thereof, whichever is the higher.

A204. ADDITIONAL MISCELLANEOUS ESCROW SERVICES AND EXPENSES

SUMMARY ACCOUNT:

Because of the wide variation of services performed, it is impractical to establish rates for each type of transaction that may require escrow services. For transaction categories and services not included in this rate filing, Title Resource Group Settlement Services, LLC will, upon request, establish and provide a quotation of proposed rates based on an evaluation of the work and level of responsibility involved and the amount of money or value of property to be held in escrow.

This type of escrow service includes, but is not limited to, such services as (1) the receipt of funds and written instructions from the primary holder of the escrow and from a lender whose loan is to be insured, (2) the disbursement of such funds for the elimination of matters affecting title, and (3) accommodation signing, but only to the extent authorized under such instructions. The above list, although not exhaustive, is illustrative of such factors needed in establishing the service to be provided and the charges therein. The maximum escrow fee for Sub-escrow services shall not exceed seventy-five percent (75%) of the Basic Escrow rate as determined by the amount involved in the Sub-escrow transaction.
