STATE OF ARIZONA

DEPARTMENT OF INSURANCE

In the Matter of:

ROBERT CLARK BRANDENBURG
dba BRANDENBURG & ASSOCIATES

Respondent.

NO. 97A-073-INS

ORDER

On August 21, 1997, the Office of Administrative Hearings, through Administrative Law Judge Lewis D. Kowal, submitted a "Recommended Decision of Administrative Law Judge" (the "Recommended Decision"), in the above-captioned matter which is attached and incorporated by this reference. The Director of the Arizona Department of Insurance ("Director"), after reviewing the Recommended Decision and the record in this matter, enters the following order:

1. The Director adopts the recommended findings of fact paragraphs 1-26.
2. The Director amends finding of fact 27 to read in its entirety as follows:

27. Brandenburg testified that upon advice of his legal counsel, John Rood, who represented him at the Department of Real Estate proceedings, Brandenburg did not disclose the pending Department of Real Estate hearings to the Department of Insurance in the 1995 Renewal Application. Brandenburg also testified that at the time of submission of the 1995 Renewal Application to the Department of Insurance, that a person at the licensing counter for the Department stated that the Department of Insurance was aware of the Department of real estate proceedings and had all the documentation. Using contemporaneously recorded notes to refresh his recollection, Brandenburg described but could not

1 identify by name the person at the Insurance Department's licensing counter with
2 whom he had spoken about the submission of the 1995 Renewal Application.

3 The Director makes this change because the record does not support the inference suggested by
4 the Administrative Law Judge that the Insurance Department's licensing counter personnel instructed
5 Brandenburg to present false or misleading information on the 1995 Renewal Application. The record
6 does not support Brandenburg's contention that the personnel of this Department, and in other instances,
7 personnel of other state agencies advised him to omit information relevant to the processing of
8 Brandenburg's renewal application. In contrast, the record demonstrates that the questions contained in
9 the 1995 Renewal Application put Brandenburg on notice that the Director wanted to know about
10 Docket No. H-1607, that Brandenburg understood these questions sufficiently well that he sought advice
11 about whether to reveal this proceeding, and despite the clarity of the questions, voluntarily chose to
12 answer the 1995 Renewal Application with a false or misleading response that misrepresented the facts
13 relevant to the renewal of his license.

14 3. The Director amends finding of fact 28 to read in its entirety as follows:

15 28. On the 1995 Renewal Application, Brandenburg made the notation
16 "See Last Application." Brandenburg testified that he intended to have the
17 Department of Insurance refer to his prior application which disclosed the Par 3
18 matter. However, Brandenburg did not disclose to the Department of Insurance in
19 his 1995 Renewal Application the proceedings before the Arizona Department of
20 Real Estate involving Docket No. H-1607. Brandenburg's note "See Last
21 Application" did not accomplish this disclosure because Brandenburg had not
22 previously disclosed Docket No. H-1607 to the Department of Insurance.

1 The Director makes this change because Brandenburg did not disclose to the Department of
2 Insurance, in connection with its processing of the 1995 Renewal Application, information about Arizona
3 Department of Real Estate Docket No. H-1607.

4 4. The Director amends finding of fact 29 to read in its entirety as follows:

5 29. On the 1995 Renewal Application, Brandenburg should have disclosed that
6 Docket No. H-1607 was pending before the Arizona Department of Real Estate based on
7 the remand order of Judge Cheryl K. Hendrix in Case No. CV94-06978 and should have
8 disclosed that Judge Hendrix had upheld the findings made by the Commissioner of the
9 Department of Real Estate that Brandenburg had failed to report as required and the fines
10 associated with those findings. While the administrative proceedings before the
11 Department of Real Estate encompassed the activities regarding Par 3 for which
12 Brandenburg had already had a hearing before the Department of Insurance, the
13 proceedings before the Department of Real Estate constituted separate proceedings
14 involving a license different than that at issue in the initial Par 3 proceedings at the Arizona
15 Corporation Commission in Docket No. S-2618-I and at the Department of Insurance in
16 Docket No. 7790. Moreover, the Department of Real Estate hearing in Docket No. H-
17 1607 also included the Arizona Corporation Commission's revocation of Brandenburg's
18 registration as a securities salesman for failure to make a scheduled restitution payment in
19 violation of the above-mentioned consent order.

20 The Director makes this change because the record does not support the inference suggested by
21 the Administrative Law Judge that the Department's knowledge about the Par 3 proceedings at the
22
23

1 Arizona Corporation Commission in Docket No. S-2618-I and at the Department of Insurance in Docket
2 No. 7790 equates with the disclosure to the Insurance Department about Docket No. H-1607.

3 5. The Director amends finding of fact 30 to read in its entirety as follows:

4 30. Brandenburg testified that upon advice from John Rood and advice
5 he received from an individual at the licensing counter at the Department, he
6 checked "No" in response to question G on the 1996 Renewal Application. As
7 was the case with the 1995 Renewal Application, Brandenburg used
8 contemporaneously recorded notes to refresh his recollection. From these notes,
9 Brandenburg described but could not identify by name the person at the Insurance
10 Department's licensing counter with whom he had spoken about the submission of
11 the 1996 Renewal Application.

12 The Director makes this change because the record does not support the inference
13 suggested by the Administrative Law Judge that the Insurance Department's licensing counter personnel
14 instructed Brandenburg to present false or misleading information on the 1996 Renewal Application. The
15 record does not support Brandenburg's contention that personnel of this Department, and in other
16 instances, personnel of other state agencies advised him to omit information relevant to the processing of
17 Brandenburg's renewal application. In contrast, the record demonstrates that the questions contained in
18 the 1996 Renewal Application put Brandenburg on notice that the Director wanted to know about
19 ongoing proceedings affecting other licenses held by Brandenburg, that Brandenburg understood these
20 questions sufficiently well that he sought advice about whether to reveal these proceedings, and despite
21 the clarity of the questions, voluntarily chose to answer the 1996 Renewal Application with a false or
22 misleading response that misrepresented the facts relevant to the renewal of his licenses.

23

1 6. The Director adopts the recommended findings of fact paragraphs 31 through 33.

2 7. The Director amends finding of fact 34 to read in its entirety as follows:

3 34. Brandenburg represented with regard to the above-mentioned the
4 1995 conversation with Ms. Switzer, that he had inquired about the information
5 that should be submitted to the Arizona Department of Insurance concerning the
6 1997 Renewal Application and was informed that the Department of Insurance had
7 all the information. Brandenburg suggested that he relied upon this conversation
8 with Ms. Switzer to support his failure to disclose the Department of Real Estate
9 proceedings under Docket No. H-1607 and the proceedings of the Arizona
10 Corporation Commission under Docket No. S-3093-I.

11 The Director makes this change because the record does not support the inference suggested by
12 the Administrative Law Judge that Ms. Switzer had instructed Brandenburg to present false or misleading
13 information on the 1997 Renewal Application with respect to either the Real Estate proceedings under
14 Docket No. H-1607 of the proceedings of the Arizona Corporation Commission under Docket No. S-
15 3093-I. The record does not support Brandenburg's contention that he relied upon Ms. Switzer's advice,
16 especially with respect to the decision to not disclose an event (the decision of the Arizona Corporation
17 Commission in Docket No. S-3093-I), that had not occurred when the conversation took place. In
18 contrast, the record contains ample evidence that the questions put Brandenburg on notice that the
19 Director wanted to know about ongoing proceedings, Brandenburg understood these questions
20 sufficiently well that he concedes he sought advice about what to disclose in the renewal application, and
21 despite the clarity of the questions, chose to give false or misleading answers on the 1997 Renewal
22 Application that misrepresented the facts relevant to the renewal of his license.

1 8. The Director adopts the recommended finding of fact paragraphs 35 through 37.

2 9. The Director rejects recommended finding of fact paragraph 38 in its entirety and replaces
3 it with the following:

4 38. The record does not support Brandenburg's explanation for having
5 failed to disclose Docket No. H-1607 and Docket No. S-3093-I. Although
6 Brandenburg provided descriptions of the individuals with whom he dealt at the
7 licensing counter of the Department of Insurance by refreshing his recollection
8 from notes taken at the time of such occurrences, this testimony alone does not
9 support Brandenburg's actions. If true, and he believed that a record needed to be
10 maintained to support his version of events, it would seem that Brandenburg's
11 notes would have named the Department personnel who advised him to present
12 false or misleading information on his 1995 Renewal Application and his 1996
13 Renewal Application. Further, Brandenburg could have brought either of these
14 people to the hearing to support the explanation he testified about. Similarly with
15 respect to the 1997 Renewal Application, Brandenburg could have brought Ms.
16 Switzer to the hearing to support the explanation that he acted on her advice when
17 he refrained from revealing proceedings that the Renewal Application plainly
18 sought information about, including the proceedings at the Arizona Corporation
19 Commission in Docket No. S-3093-I, which had not yet occurred when the
20 October 1995 conversation took place.

21 For the reasons noted above in the amended finding of fact 38, the Director makes this change
22 because the record does not support the Administrative Law Judge's recommended conclusion that Mr.
23

1 Brandenburg's testimony was credible. The record does not support Brandenburg's contention that
2 personnel of this Department, and in other instances, personnel of other state agencies advised him to fail
3 to disclose material information to the Director in the renewal applications. Instead, the record
4 demonstrates that the questions in the renewal applications put Brandenburg on notice that the Director
5 wanted to know about ongoing proceedings, Brandenburg understood these questions sufficiently well
6 that he sought advice about how to answer the questions, and despite the clarity of the questions, chose
7 to give answers on the 1995 Renewal Application, the 1996 Renewal Application, and the 1997 Renewal
8 Application that were false or misleading and that misrepresented the facts relevant to the renewal of his
9 license.

10 10. The Director amends finding of fact 39 to read in its entirety as follows:

11 39. Brandenburg had the obligation, but failed to disclose the
12 proceedings in Docket No. H-1607 and the proceedings in Arizona Corporation
13 Commission in Docket No. S-3093-I to the Department of Insurance.

14 The Director makes this change because the record does not support the conclusion that
15 Brandenburg acted reasonably in failing to disclose information that he had the obligation to disclose to
16 the Department. The questions sought information that Brandenburg knew about. He does not dispute
17 that the questions sought information about the proceedings at the Department of Real Estate and the
18 Arizona Corporation Commission. Yet, rather than revealing this information, he instead claims reliance
19 upon people whom he could not name or did not bring them to testify. His only evidence of having
20 alerted the Department that more information existed was "See Last Application" note on the 1995
21 Renewal Applicant. However, this cryptic note does not constitute the disclosure of separate, distinct
22
23

1 proceedings that had never been brought to the Department's attention by Brandenburg, the person who
2 bore the obligation to convey this information to the Department.

3 11. The Director rejects recommended finding of fact paragraph 40 in its entirety and replaces
4 it with the following:

5 40. Brandenburg willfully failed to disclose the Department of Real
6 Estate proceedings under Docket No. H-1607 and the proceedings of the Arizona
7 Corporation Commission under Docket No. S-3093-I in the 1995 Renewal
8 Application, the 1996 Renewal Application, and the 1997 Renewal Application.

9 The Director makes this change because the record does not support the Administrative Law
10 Judge's recommended conclusion that Mr. Brandenburg did not act willfully. To the contrary,
11 Brandenburg's made a conscious decision to refrain from disclosing information about disciplinary
12 proceedings involving Brandenburg that had been initiated by the Department of Real Estate and the
13 Corporation Commission. Brandenburg claims to have been justified in failing to disclose those
14 proceedings. However, his assertion of this justification demonstrates deliberative judgment on his behalf
15 that establishes the exercise of a knowing, volitional, deliberate choice on his part. He knew that licenses
16 issued by other agencies were or had been the subject of administrative proceedings. He sought legal
17 advice in at least two instances about whether to make the required disclosures. In each instance, despite
18 his possession of this information material to the licensing decision to be made by the Director of
19 Insurance, Brandenburg made the choice to withhold the material information about Docket No. H-1607
20 and Docket No. S-3093-I in the 1995 Renewal Application, the 1996 Renewal Application, and the 1997
21 Renewal Application

1 12. The Director rejects recommended conclusion of law paragraph 1 in its entirety and
2 replaces it with the following:

3 1. Brandenburg's conduct as set forth above in the Findings of Fact
4 constitutes willful misrepresentation of any fact required to be disclosed in any
5 application pursuant to A.R.S. §20-291(G).

6 The Director makes this change because the record does not support the Administrative Law
7 Judge's recommended conclusion that Mr. Brandenburg did not act willfully. To the contrary,
8 Brandenburg knew that licenses issued by other agencies were subject to ongoing or concluded
9 proceedings. He sought legal advice in at least two instances about whether to make the required
10 disclosures. In each instance, despite his possession of this information material to the decision to be
11 made by the Director of Insurance, Brandenburg made the choice to withhold the material information
12 about the Department of Real Estate proceedings under Docket No. H-1607 and the proceedings of the
13 Arizona Corporation Commission under Docket No. S-3093-I when he submitted renewal applications to
14 the Department of Insurance.

15 13. The Director accepts recommended conclusion of law paragraph 2.

16 14. The Director rejects recommended conclusion of law paragraph 3 in its entirety and
17 replaces it with the following:

18 3. The evidence of record establishes that Brandenburg's conduct as
19 set forth above in the Findings of Fact constitutes the willful violation of, or a
20 willful noncompliance with any provision of A.R.S., Title 20, or any lawful rule,
21 regulation or order of the Director of the Department pursuant to A.R.S.
22 §20-316(A)(2).
23

1 For the reasons discussed above in ¶12, the Director makes this change because the record does
2 not support the Administrative Law Judge's recommended conclusion that Mr. Brandenburg did not act
3 willfully. To the contrary, Brandenburg knew that licenses issued by other agencies were subject to
4 ongoing or concluded proceedings. He sought legal advice in at least two instances about whether to
5 make the required disclosures. In each instance, despite his possession of this information material to the
6 decision to be made by the Director of Insurance, Brandenburg made the choice to withhold the material
7 information about the Department of Real Estate proceedings under Docket No. H-1607 and the
8 proceedings of the Arizona Corporation Commission under Docket No. S-3093-I in the renewal
9 applications Brandenburg submitted to the Department of Insurance.

10 15. The Director accepts recommended conclusion of law paragraphs 4 and 5.

11 16. The Director rejects the recommended order and replaces it in its entirety with the
12 following:

13 It is ordered:

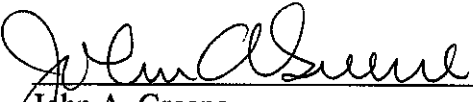

14 A. All insurance licenses of Robert Clark Brandenburg dba Brandenburg &
15 Associates shall be revoked effective 45 days from the date of this order.

16 B. Robert Clark Brandenburg dba Brandenburg & Associates shall pay a civil penalty
17 to the Department of Insurance, which shall be remitted to the general fund in the amount of \$1,500.

18 The Director makes this change to the recommended order proposed by the Administrative Law
19
20
21
22
23

1 Judge because Brandenburg's willful misrepresentations in the renewal applications warrant revocation
2 and a civil penalty.

1 Commission ordered Brandenburg to cease and desist such activities, to make
2 restitution to investors and to pay a civil penalty.

3 5. On June 15, 1992, the Commission issued a Notice of Opportunity for
4 Hearing Regarding Proposed Revocation of Salesman Registration, In the matter of the
5 Offering of Securities By: Robert C. Brandenburg, CRD#1171044, Docket No. S-2905-I,
6 alleging that on March 27, 1992, the Securities Division of the Commission issued
7 Brandenburg a salesman registration conditioned on his making restitution and paying
8 civil penalties pursuant to the prior Commission's Opinion and Order issued in Docket
9 No. S-2618-I. On August 26, 1992, Brandenburg entered into a consent order with the
10 Commission In the Matter of Offering of Securities by: Robert C. Brandenburg,
11 CRD#1171044, Docket No. S-2905-I, Decision No. 57984, wherein Brandenburg's
12 securities salesman registration was suspended for 30 days and Brandenburg was
13 ordered to make restitution to specified investors according to a payment schedule.
14 The amount of restitution was subject to reduction upon verification to the satisfaction of
15 the Securities Division of the Commission that certain investors had waived their right to
16 restitution. It was further ordered that Brandenburg's failure to make a scheduled
17 restitution payment would result in automatic revocation of his security salesman's
18 registration. There was no finding that Brandenburg knowingly or intentionally violated
19 the securities laws.

20 6. As a result of the above-mentioned actions by the Commission, a hearing
21 was held before the Department of Insurance In the Matter of Robert Clark
22 Brandenburg dba Brandenburg & Associates, Docket No. 7789 ("Docket No. 7789"), on
23 allegations that Brandenburg has a record of dishonesty in business and financial
24 matters within the meaning of A.R.S. §20-290(B)(2). In that proceeding, an Order was
25 issued by Susan Gallinger, Director of Insurance, on October 19, 1992, wherein
26 Brandenburg was determined to have such a record but no disciplinary action was
27 taken against Brandenburg as a result of that hearing.

28 7. At this hearing, the Department of Insurance contended that Brandenburg
29 failed to disclose civil and administrative proceedings as set forth below in several
30 renewal applications which he filed with the Department of Insurance.

8. Brandenburg claimed that there was no need to disclose any of the civil or
administrative proceedings as set forth below on the basis that they all stem from
and/or relate to his Par 3 activities and the action taken by the Commission regarding
those activities. Therefore, Brandenburg claimed that "Double Jeopardy" applies and he
cannot be punished for prior conduct for which he has already been sanctioned or

1 which has been the subject of prior administrative proceedings. Brandenburg further
2 contended that the Department of Insurance was aware of those proceedings and that
3 upon advice received from employees of the Department of Insurance, an Assistant
4 Attorney General who represented the Department of Insurance on various matters, as
5 well as upon advice of counsel, he did not have to make such disclosure.

6 9. On November 26, 1993, the Commission entered an Opinion and Order in
7 Docket No. S-2905-I, bearing Decision No. 58470, revoking the registration of
8 Brandenburg as a securities salesman.

9 10. On January 11, 1995, Brandenburg filed an application to renew his life,
10 disability and variable annuity insurance agent licenses ("1995 Renewal Application")
11 with the Department of Insurance.

12 11. Brandenburg answered "No" to Question F of the 1995 Renewal Application
13 which asked: "ARE ANY criminal, civil, administrative or other judicial or quasi-judicial
14 proceedings of any kind currently pending against you IN ANY jurisdiction?"

15 12. On February 8, 1994, the Commissioner of the Arizona Department of Real
16 Estate ("Department of Real Estate") entered an Order In the matter of the real estate
17 salesperson's license of Robert Clark Brandenburg, No. H-1607 (RES) ("Docket No. H-
18 1607"), revoking Brandenburg's salesperson's license and assessing a civil penalty
19 against him in the sum of \$5,000.00. In that Order, the Commissioner found that
20 Brandenburg failed to make reports on three occasions, that he had been guilty of
21 conduct which constitutes fraud and that he failed to show that he was a person of
22 honesty, truthfulness and good character.

23 13. On May 9, 1994, Brandenburg appealed the above-mentioned
24 Commissioner's Order in Robert Carl Brandenburg v. Arizona Department of Real
25 Estate, Maricopa County Superior Court, No. CV94-06978 ("Case No. CV94-06978").

26 14. On December 23, 1994, Superior Court Judge Cheryl K. Hendrix entered an
27 Order in Case No. 94-06978 affirming the finding of Brandenburg's failing to file reports
28 as required by law and upholding the fines associated with those violations. The Court
29 reversed the findings and fines associated with fraud and with Brandenburg's character.
30 The Court also reversed the revocation of Brandenburg's real estate salesperson's
license and remanded that matter to the Department of Real Estate for further
proceedings.

15. On October 12 and October 26, 1995, and November 14, 1995, a hearing
on remand was held before the Department of Real Estate, in Docket No. H-1607.

1 16. On the 1995 Renewal Application filed with the Department of Insurance,
2 Brandenburg did not disclose that Docket No. H-1607 was pending before the
3 Department of Real Estate.

4 17. On November 16, 1995, Brandenburg filed an application to renew his
5 property and casualty insurance broker's license ("1996 Renewal Application") with the
6 Department.

7 18. Brandenburg answered "No" to question G of the 1996 Renewal Application
8 which asked: "ARE ANY criminal, civil, administrative, or other judicial or quasi-judicial

9 19. On the 1996 Renewal Application filed with the Department of Insurance,
10 Brandenburg did not disclose that an administrative hearing had been held before the
11 Department of Real Estate, Docket No. H-1607, and that entry of a final Order was
12 pending.

13 20. On July 20, 1995, the Securities Division of the Arizona Corporation
14 Commission ("Commission") issued a Notice of Opportunity for Hearing Regarding
15 Proposed Denial of Application for Securities Salesman Registration, In the matter of
16 the Securities Salesman Registration Application of: Robert Clark Brandenburg,
17 CRD#1171044, Docket No. S-3093-I, alleging that Brandenburg violated an Order of
18 the Commission and that he had been guilty of a fraudulent act or practice in
19 connection with the purchase or sale of securities.

20 21. On August 17, 1995, a hearing was held before the Commission in Docket
21 No. S-3093-I on the Commission's denial of Brandenburg's application for registration
22 as a securities salesman. On the 1996 Renewal Application, Brandenburg failed to
23 disclose that the hearing on Docket No. S-3093-I before the Commission was pending.

24 22. On November 28, 1995, the Commission issued an Opinion and Order in
25 Docket No. S-3093-I bearing Decision No. 59390, denying Brandenburg's application
26 for registration as a securities salesman.

27 23. On December 3, 1996, Brandenburg filed an application to renew his life,
28 disability and variable annuity insurance agent license ("1997 Renewal Application")
29 with the Department of Insurance.

30 24. Brandenburg answered "No" to Section V, questions C and E(6) of the 1997
Renewal Application asked:

C. Have you had any professional, vocational, business license or
certification refused, denied, suspended, revoked or restricted, or a fine
imposed by any public authority that has not previously been disclosed by
you to this agency in a license application?

...

1 E. Have you had any judgment, order or other determination been
2 issued or made against you IN ANY criminal, civil, administrative or other
3 judicial or quasi-judicial proceeding of any kind in any jurisdiction that has
4 not previously been disclosed by you to this agency in a license
5 application based on any of the following:

...

6) any other reason?"

25. On December 28, 1995, Administrative Law Judge Richard N. Blair entered
a Final Order in Docket No. H1607 having been delegated such authority by the
Commissioner of the Department of Real Estate. In the Final Order, Judge Blair
determined that Brandenburg was not a person of honesty, truthfulness and good
character. Judge Blair suspended Brandenburg's real estate license for nine months
and assessed a civil penalty of \$1,000.00.

26. On the 1997 Renewal Application, Brandenburg did not disclose the
suspension and fines imposed by the Department of Real Estate. Brandenburg also
failed to disclose in the 1997 Renewal Application that an Opinion and Order of the
Commission was pending in Docket S-3093-I.

1995 RENEWAL APPLICATION

27. Brandenburg testified that upon advice of his legal counsel, John Rood, who
represented him at the Department of Real Estate proceedings, Brandenburg did not
disclose the pending Department of Real Estate hearings to the Department of
Insurance in the 1995 Renewal Application. Brandenburg also testified that at time of
submission to the Department of Insurance, and the person at the licensing counter for
the Department stated that the Department of Insurance was aware of the Department
of Real Estate proceedings and had all the documentation.

28. On the 1995 Renewal Application, Brandenburg made the notation "See
Last application". Brandenburg testified that he intended to have the Department of
Insurance refer to his prior application which disclosed the Par 3 matter.

29. On the 1995 Renewal Application, Brandenburg should have disclosed that
Docket No. H-1607 was pending before the Arizona Department of Real Estate based
on the remand Order of Judge Cheryl K. Hendrix in Case No. CVB 94-06978 and
should have disclosed that Judge Hendrix had upheld the findings made by the
Commissioner of the Department of Real Estate that Brandenburg had failed to report
as required and the fines associated with those findings. The administrative
proceedings before the Department of Real Estate encompassed the activities
regarding Par 3 for which Brandenburg had already had a hearing before the

1 Department of Insurance. However, the Department of Real Estate hearing also
2 included Commission's revocation of Brandenburg's registration as a securities
3 salesman for failure to make a scheduled restitution payment in violation of the above-
4 mentioned consent order.

5 1996 RENEWAL APPLICATION

6 30. Brandenburg testified that upon advice from John Rood and advice he
7 received from an individual at the licensing counter at the Department, he checked "No"
8 in response to question G on the 1996 Renewal Application.

9 31. Brandenburg should have disclosed on the 1996 Renewal Application that
10 the Final Order on the remand hearing before the Department of Real Estate was
11 pending.

12 32. Brandenburg should have disclosed on the 1996 Renewal Application that
13 an Opinion and Order by the Commission was pending in Docket No. S-3093-I.

14 1997 RENEWAL APPLICATION

15 33. Brandenburg testified that on October 26, 1995, he spoke with Assistant
16 Attorney General Gerrie Switzer who represented the Arizona Department of real
17 Estate at the above-mentioned proceedings before the Department of Real Estate and
18 also represented the Department of Insurance on various matters

19 34. Brandenburg represented with regard to the above-mentioned conversation
20 with Ms. Switzer, that he had inquired as to the information that should be submitted to
21 the Department of Insurance concerning the 1997 Renewal Application and was
22 informed that the Department of Insurance had all the information.

23 35. Brandenburg should have disclosed on the 1997 Renewal Application that,
24 as a result of the remand hearing before the Arizona Department of Real Estate in
25 Docket No.H-1607, his real estate sales person's license was suspended for nine
26 months and he was assessed a \$1,000.00 civil penalty.

27 36. Brandenburg should have also disclosed on the 1997 Renewal Application
28 that the Commission entered a Decision and Order on November 28, 1997, in Docket
29 No. S-3093-I denying his application for registration as a securities salesman.

30 FURTHER FINDINGS

31 37. Brandenburg testified, he has been licensed in the insurance field in the
32 State of Arizona since 1977 and has had no other complaints filed with the Department
33 of Insurance other than those relating to his Par 3 activities and the instant matter.

1 38. The testimony of Brandenburg as set forth above was determined to be
2 credible. Brandenburg provided descriptions of the individuals he dealt with at the
3 licensing counter of the Department by refreshing his recollection from notes taken at
4 the time of such occurrences.

5 39. Under the circumstance, with the overlapping of proceedings and continued
6 proceedings stemming from Brandenburg's Par 3 activities, it was not unreasonable for
7 Brandenburg to have reached the conclusion that certain proceedings did not need to
8 be disclosed on the above-mentioned renewal applications. However reasonable his
9 actions were, technically, Brandenburg was required in the 1995, 1996 and 1997
10 renewal applications submitted to the Department of Insurance, to disclose certain
11 proceedings as set forth above.

12 40. There was no evidence presented at the hearing to show that
13 Brandenburg's failure to disclose the above-mentioned proceedings in the above-
14 mentioned applications was willful.

15 **CONCLUSIONS OF LAW**

16 1. The evidence of record does not support a determination that Brandenburg's
17 conduct as set forth above in the Findings of Fact constitutes a willful misrepresentation
18 of any fact required to be disclosed in any application pursuant to A.R.S. § 20-291(G).

19 2. The evidence of record established that Brandenburg has a record of
20 dishonesty in business or financial matters in violation of A.R.S. §20-316 (A)(1) together
21 with A.R.S. §20-290(B)(2).

22 3. The evidence of record does not establish that Brandenburg's conduct as set
23 forth above in the Findings of Fact constitutes the willful violation of, or a willful
24 noncompliance with, any provision of A.R.S., Title 20, or any lawful rule, regulation or
25 order of the Director of the Department pursuant to A.R.S. 20-316 (A)(2).

26 4. Brandenburg's conduct as set forth above in the Findings of Fact constitutes
27 the existence of misrepresentation in obtaining or attempting to obtain any insurance
28 license in violation of A.R.S. §20-316(A)(3).

29 . . .
30 5. Grounds exist for the Director of the Department of Insurance to suspend,
revoke or refuse to renew Brandenburg's insurance license and to impose a civil
penalty upon Brandenburg pursuant to A.R.S. §§20-316(A) and 20-3169(C).
