Department of Financial Institutions
FY 2021 Budget Submission
Revenue Justifications

General Fund (#1000)

DFI combines historical revenue trends for licensing, renewal, examination, and financial institutions assessments with division management forecasts for activity (i.e., changes in application levels, financial institution asset levels, etc.) that will impact these revenue streams. With respect to licensing fees, DFI used an average of the prior two years for projections.

Mortgage Recovery Fund (#1997)

Under A.R.S. § 6-991.09 the Mortgage Recovery Fund was established, consisting of monies paid by loan originator license applicants for the benefit of any person aggrieved by any act, representation, transaction of conduct of a licensed loan originator that violates statute or rule.

Applicants have the option of obtaining a bond in lieu of payment into the fund. Payment into the fund is \$100 at the time of initial application and an additional \$100 at the renewal date. Based on the recent experience, DFI projects that only 25% of future applicants will pay into the fund.

Note: This fund has a cap of \$2.0 million, which was reached as of June 30, 2015. Under A.R.S. § 6-991.10, once the cap is reached, payments into the fund are no longer made by licensees as part of their renewal application. However, one-time payments into the fund continue for new license applicants.

Financial Services Fund (#1998)

Under A.R.S. 6-991.21 the Financial Service Fund was established, consisting of loan originator license, renewal and transfer fees set by the superintendent pursuant to A.R.S. §§ 6-126(B)(32) and (33), and 6-126(C)(11) and (12), collected by DFI. Licensing fees include an initial application fee (\$350), prorated license fee (\$150), and an annual license renewal fee (\$150). As of June 30, 2019, there were 16,404 licensed loan originators.

The revenue estimates for Fiscal Years 2020 and 2021 assume a 2.1% annual increase in the number of license applications and little change to the number of licenses being renewed.

Department of Financial Institutions
FY 2021 Budget Submission
Revenue Justifications

Banking Department Revolving Fund (#2126)

The Department Revolving Fund is established under A.R.S. § 6-135(A), consisting of investigation costs, attorney fees and civil penalties recovered through settlements or judgements. A.R.S. § 6-135(B). The funds are used by DFI to investigate and prosecute violations of A.R.S. Title 6. A.R.S. § 6-135(C).

It is impossible to accurately forecast the assessments of civil money penalties, which is a function of industry compliance and findings from the Department's investigations and examinations.

Interagency Services Agreement Fund (#2500)

Pursuant to HB2747, chapter 263 the DFI transferred \$1,400,000 from the Receivership Revolving Fund to this fund to pay costs associated with developing and implementing a licensing and regulatory application on the Salesforce operating platform, migrating DFI's data from its legacy licensing and regulatory information system. This was a one-time transfer.

Receivership Revolving Fund (#3023)

Pursuant to A.R.S. 6-135.01, the revenue received into this fund comes from two sources: 1) monies awarded and received as fees and costs in receiverships in which the Superintendent was the receiver; and, 2) monies transferred from the Banking Department Revolving Fund -- specifically, all unencumbered monies in excess of two hundred thousand dollars in the Revolving Fund as of the end of the fiscal year.
